About the Optimists

Optimist Clubs have been "Bringing Out the Best in Kids" since 1919. Our members conduct community service projects aimed at providing a helping hand to youth. By believing in young people and empowering them to be the best they can, Optimist volunteers make our world a better place to live. We strive to develop optimism as a philosophy of life through the tenets of the Optimist Creed — to promote an active interest in good government and civic affairs; to inspire respect for the law; to promote patriotism and work for international accord and friendship among all people; to aid and encourage the development of youth.
